Since its formation in 1909, ANA-Idaho (formerly Idaho Nurses Association) has made significant contributions to the nursing profession in the State of Idaho. ANA-Idaho, the only professional organization representing Idaho's 20,000+ registered nurses, exists to advance the nursing profession by promoting professional development of nurses, fostering high standards of nursing practice, promoting the safety and well-being of nurses in the workplace, and by advocating on health care issues affecting nurses and the public.

### Featuring:

**VIRGINIA R. BEESON, BSN, MSN, NEA-BC**

Ginny Beeson is a nurse executive, consultant and educator with over 30 years experience in healthcare. She was a Navy nurse for most of her career, serving as nurse manager, Director of Navy Medicine's Leadership Development Program, Deputy Director of the Navy Nurse Corps, and chief nurse executive. She retired from the Navy in June of 2003.

Since 2003, she has worked as an independent consultant/coach/teacher conducting workshops and seminars for hundreds of hospitals and health care organizations around the country. Her primary work involves building leadership capacity and changing/transferring organizational culture in support of a more positive, productive and professional workplace. She is a graduate of the Johnson & Johnson program for nurse executives at The Wharton School, University of Pennsylvania, and a recipient of Nursing Management's Distinguished Leader Award. In addition to multiple military honors and decorations, she received The Navy Nurse Corps' Life-Time Leadership Award.

**5.25 Contact Hours of Continuing Nursing Education will be provided.**

The Western Multi-State Division is an accredited provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
