

## Greener Idaho Submission Guidelines

The Idaho Nurses Association welcomes your submissions about environment and health for the Greener Idaho web page on the INA web site. The editor for the web page will determine which articles and letters are included in the web page and will submit these to the executive director of INA for publishing on the page. Web articles can be full page or less in a single spaced word document and should include a title. Please include appropriate citations and list references at the end of the submission. Please include the author's name and credentials, and contact information.

INA Greener Idaho web page guidelines are as follows:

1. Articles should be typed in a word document, single spaced. Email your submissions to [lbruden@boisestate.edu](mailto:lbruden@boisestate.edu).
2. Please include a cover page listing the author's name, credentials, position, present address and telephone number. In case of multiple authors list the names in order in which they should appear.
3. Greener Idaho reserves the right to edit articles to meet style limitations.
4. Photographs and drawings/images should be clear quality, in JPG or GIF format only, and sent electronically with the text submission. Please include a caption with the photograph.
5. If you would like to publish an articles in RN Idaho then please follow the submission guidelines found at <http://idahonurses.org> and email submissions to [ed@idahonurses.org](mailto:ed@idahonurses.org)
6. Writers are encouraged to submit on environmental topics from their work place, community and state. For more information or questions contact, Dr. Ingrid Brudenell, [lbruden@boisestate.edu](mailto:lbruden@boisestate.edu)
