

Survey on Political Involvement of Advanced Practice Nurses

Ohio Nurses Association Health Policy Council member Margaret (Peggy) Halter PhD, PMHCNS, Associate Professor in the graduate nursing program at the University of Akron, is doing research that looks at political involvement in advanced practice nurses.

As leaders in nursing, your opinions and input are important as we shape the future of education and the profession of nursing.

Peggy is asking for the help of all APNs by filling out a short survey (less than 10 minutes). Your name will not be used or identified in any way. The link is <http://www.surveymonkey.com/s/APNpolicyssurvey>

Also, she would appreciate it if you would forward to the survey link to other APNs, especially those outside of Ohio.

Peggy thanks you for your help in this important project.
